

Gungahlin College Voluntary Contributions 2017

Thank you to our parents and carers who have already made their Voluntary Contributions for 2017. General voluntary contributions are currently \$170 per student, per year. For those who have not yet paid, this is a friendly reminder in the lead up to the end of the financial year.

The contribution can either go to:

1. General college education resources – used for school text books, general school equipment required in faculty areas, computer hardware and software and sporting equipment.
2. Library contribution – used to build the Library resources such as purchasing books, eResources as well as software licencing for the computers

Course Contributions

In addition to the voluntary contributions, costs for materials/activities exist in some courses (, e.g. Hospitality, Wood and Metal Technology, Ceramics, Visual Arts, Photography, Science). These course contributions provide broad ranging, high quality products for use in classrooms. Costs vary depending on the courses studied by students.

Payment Options

- **Online:** You can make a secure credit card payment you using Westpac's online payment system, [QuickWeb](#).
- **Direct Debit:** Bank: Westpac / BSB: 032777 / Account Number: 001375 (Please include your family key or students name and description of payment e.g Yr11 Photography, Student Name) and email gungahlincollege@ed.act.edu.au to advise of the payment.
